THE STATE OF NEW HAMPSHIRE
TOWN WARRANT

The polls will open from 2:00 P.M. to 7:00 P.M.

To the Inhabitants of the Town of Richmond in the County of Cheshire in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at The Veterans Hall in said Richmond, on Tuesday, the 10th of March, next at 7:00 of the clock in the Evening to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. Are you in favor of the adoption of an amendment as proposed by the Planning Board as follows:
   Amend the Richmond Zoning Ordinance by adding a new article XX entitled: Growth Management — Interim Regulation, said article to read as follows:

   ARTICLE XX Growth Management — Interim Regulation,

   Section 1. AUTHORITY. Pursuant to the provisions of RSA 674:23, the Town of Richmond hereby enacts Interim Growth Management Regulations.

   Section 2. STATEMENT OF NEED. During the past six years Richmond's population has increased from approximately 518 to 1000 people (as per Civil Defense State Census). Building permits issued for dwellings has increased from 9 homes in 1984, 17 homes in 1985, to 26 Nov. 11, 1986. Such rapid growth uncontrolled will have a serious detrimental effect upon the Towns ability to meet the needs of the citizens, including police protection, fire protection, library services, recreational facilities and road improvements. Furthermore, the Monadnock Regional School District will be sorely taxed to accommodate the additional students created by sudden growth.

   Section 3. PURPOSES.
   A. To insure that the rate of growth of the Town of Richmond to be experienced in the coming years does not unreasonably interfere with the Town's capacity for planned orderly expansion of its services to accommodate such growth.
   B. To authorize and provide for the Planning Board to develop a Capital Improvement Program of at least six years and growth management process under the provisions of RSA 674:22 and 674:5.

Section 4. DEFINITIONS. All definitions shall be as set forth in the Richmond Subdivision Regulations and Zoning Ordinance. For the purpose of this Article, a lot of record shall be a lot which has its own separate chain of title and which was identified as a separate lot in the Registry of Deeds of Cheshire County as of December 1986. For the purpose of this Article a dwelling unit shall be considered a building or that portion of a building consisting of one or more rooms designed for living and sleeping purposes, for occupancy by not more than one family.

Section 5. APPLICATION. This Interim Regulation shall apply to all subdivision applications, all site plan review applications and all building permits, except as set forth below under exemptions.

Section 6. REGULATIONS. This Interim Regulation hereby imposes the following requirements:
A. Any lot subdivided during the period of the regulation shall not be further subdivided.
B. No existing lot of record shall be subdivided into more than four (4) lots. The intended use of each lot shall be stated on the submitted plot or site plan.
C. The total number of dwelling units permitted for any subdivision, site plan, or building permit approved here under shall not exceed four (4).
Section 7. EXEMPTIONS. Applications submitted to and accepted by the Planning Board prior to the date of posting of notice of Public Hearing for the Interim Regulation shall be exempt from the requirements of this regulation.

Section 8. EXPIRATION. This Article XX shall be in force for a period of twelve (12) months from the date of approval of the Town Legislative Body or until the earliest effective date of an Ordinance adopted by the Town under the provisions of RSA 674:22 which addresses the unusual circumstances that prompted the adoption of the Zoning Amendment, whichever first occurs.

Section 9. SEPARABILITY. If any article, section, subsection, sentence, clause or phrase of this Article XX is for any reason held to be invalid or unconstitutional by a court of competent jurisdiction, such decision shall not affect the remaining portions of this Article and/or other Town Regulations in effect at the time. (vote by ballot)

LIBRARIAN'S REPORT

This summer the Richmond Public Library sponsored a reading program for the chilren entitled "The Richmond Read-a-thon." There were thirty-six participants. Certificates and awards were presented to those who completed the program.

As Richmond seems to be an ever-growing community, I'd like to take this time to inform the new residents that the library is open on Tuesdays from 1:00 to 7:00 and Saturdays from 1:00 to 5:00. We are continuously adding to the book selection. We have a wide variety of books ranging from indestructable ones for the very young to just about anything for the adults. Our list of patrons has grown over the past year and it is a pleasure to supply the community with their choice of literature. Please do come in and visit the library, it is here for all of you.

Don't forget the the Richmond Library has an extensive historical selection, many current magazines, a copy machine for public use, records and listening center and the very latest fiction and non-fiction books.

I look forward to seeing you.

LIBRARY TRUSTEES REPORT

As most of you know, we have a new librarian. Holly Royce, from Jaffrey, was hired in July, after a four-month search. She was selected from three applicants and is actively involved in running the library and taking the state sponsored librarian's courses.

The trustees wish to thank Norma Thibodeau and Diane Mahoney for serving as interim librarians. Thanks also to the many others in

town who donated their time and energies to help us through a difficult period.

Some much needed minor repairs to both the archives and the library were done this Fall. Also, our new furnace is installed and working well.

The trustees are beginning to plan for future expansion. Not only are we overcrowded, but the children's area needs redesigning and expanding. This new area could serve as an all-purpose room also. To prepare for our future needs, the library, along with the fire department and civil defense will be asking, through a special article on the warrant, for a combined septic system and leach field. We believe this to be necessary to better serve the town in the future.

We wish to thank the many people who have made donations of time, money and gifts to both the library and the archives. We wish to give special recognition to the Four Corners Store, for the generous donation of the proceeds of the Labor Day Road Race and to the George Fillian family for a box of old Richmond scenes and portraits. As usual, we save our last thanks for the "Friends", for their many good deeds.

Respectfully submitted,
Joseph Thibodeau
Chairman

FIRE DEPARTMENT REPORT

It's been a year of change in the Richmond Fire Dept. Three years ago, when I accepted the position of Chief, I set certain goals for myself and the department which I felt could and should be accomplished. As the end of 1986 was approaching, it became apparent that the momentum had been lost.

I felt that under new leadership, things might go forward once again. So on November 5th, 1986, I resigned as Chief.

I believe the Selectmen made an excellent choice in naming George Blais as the new Chief. He is doing an outstanding job. He has created a new position within the Department, that of Deputy Chief. This position is being filled by Robert VanBrocklin, another excellent choice.

During 1986 the Fire Department answered 22 calls, they are as follows: 4 chimney fires; 3 auto accidents; 2 structure fires; 2 cover calls; 1 smoke investigation; 4 investigations; 1 stove fire; 1 dryer fire; 3 wires down and 1 brush fire.

On the night of July 25th, 1986 at 1:14 AM, the Town of Richmond suffered a great loss. The carriage house located to the rear of the Town Hall was completely destroyed, and along with it, the Town Hearse and the snow sled. The hearse was part of our Town's history and is irreplaceable. I wish to commend the Department for the excellent job they did in keeping the fire from spreading to the Town Hall, the Gorman property and the L.P. gas tank from exploding.

The second structure fire was the result of a chimney fire which spread to the roof. The men extinguished it very quickly and kept damage to a minimum.

The new tanker, which is nearing completion, will hopefully be put into service shortly. It has been painted, equipment mounted, the radio has been ordered and will be installed as soon as it arrives. The pump has been tested and will be ready for service when the truck is put on line. The people of Richmond should be proud of the men of the Department for the many hours and nights they gave up to accomplish this job. George and I both thank you and I know the people of Richmond thank you. "A great job, well done."

As usual the Rescue Squad did an outstanding job last year. Their new corporate title is RICHMOND RESCUE, INC. and I would like to offer my congratulations to the newly elected officers.

Respectfully submitted,
Frank P. D'Orio
George Blais

FIRE DEPT. RESCUE SQUAD REPORT

The Richmond Fire Department Rescue Squad would like to thank the town for approving the purchase of protective bunker coats and helmets at the 1986 town meeting.

During the year, the rescue squad responded to a total of 39 calls, varying from auto accidents and medical emergencies to standby assist at fires.

Our training highlights included ice rescue in Swanzey, underwater rescue on Cass Pond co-sponsored by the Connecticut Valley Underwater Rescue Team, and a variety of other medical emergency educational programs.

We would like to extend our appreciation to all the Rescue and Fire companies from the surrounding communities who assisted us with medical emergencies.

Please remember, if you have an emergency contact Mutual Aid at 352-1100. This will ensure that you receive the proper services in the quickest way possible.

Our thanks to all who have supported us throughout the year.

Respectfully submitted,
Christine Taylor

CIVIL DEFENSE REPORT

Richmond Civil Defense had a rather quiet year in 1986. Richmond Civil Defense did not test its emergency radiological response plan in 1986. In previous years our plan was tested in conjunction with the licensing tests conducted at Vermont Yankee and supervised by the Federal Emergency Management Administration (FEMA). Testing of the plan will take place again in June of 1987.

Renovation of the Richmond Civil Defense building has been progressing at an average pace despite the limited availability of volunteer labor. Once again, however, we owe a sincere thank you to the following dedicated volunteers: Bud Jacobson, Ken Atherton, and Cliff Warme. Their efforts are helping to complete the building. As it stands now the building is about 85-90% complete, in need of legions of unskilled volunteers, running water and a septic system.

A grand opening, with or without, fulfilling the above needs should happen in early summer. At that point the building should serve as a focal point to service many of the meeting and training needs of town agencies providing emergency assistance (i.e. fire, rescue, etc.).

In closing I would like to extend a large thank you to the State of New Hampshire Civil Defense Agency who quietly and tirelessly work around the clock for our benefit and well being. Without this agency of highly professional and dedicated individuals a manageable disaster would become an unmanageable catastrophe. Thank you New Hampshire Civil Defense.

Respectfully submitted,
Robert S. Coy
Civil Defense Director

1987 Proposed Budget—$7,000.00. It is anticipated that the Town of Richmond Civil Defense will continue to receive 50% reimbursement from the state for the monies raised, appropriated, and expended in the 1987 Civil Defense budget.

PLANNING BOARD REPORT

The Planning Board has had a very busy year.

PLANNING: In the spring of 1986, a "Site Plan Review" procedure was adopted by the Board to review and approve or disapprove site plans for non-residential uses and multi-family dwellings. During the summer, we polled all of the town agencies to get feed-back on the impact of recent growth. With the responses received, we developed a finding of fact and drafted "Article XX. Growth Management—Interim Regulation," a proposed amendment to the town's Zoning Ordinance. The Town will be voting, by ballot, on adopting or rejecting this proposed amendment at Town Meeting, March 10, 1987. If the ordinance is adopted this next year will also be very busy. The Planning Board will have the responsibility of developing a six year or longer Capital Improvement Program for the town. We have also considered adding and changing various subdivision regulations and are in the process of adopting two additions.

SUBDIVISIONS: We approved 3 subdivisions creating 22 new lots in town. As of this writing, we are considering one other application for a two lot subdivision. We anticipate several new applications in the near future.

MEMBERSHIP: The board has had full membership this year and all the members and alternates should be thanked for their dilligence and hard work.

BUDGET: For this coming year, the Board is requesting a budget of $1,000, up $200 from last year. The bulk of our budget last year was spent for legal services and we anticipate needing even more legal services in the future to live up to our responsibilities to the town. Land in town has become a lot more valuable in this past year, coupled with an increased demand for house lots. We need to be sure that the decisions that we reach do not jeopardize the Town.

CEMETERY TRUSTEES REPORT

If last years report characterized the work of the Cemetery Trustees as "interesting, lively and very active", the descriptive phrase for 1986 was "normal." With regulations and procedures straightened out, and with records organized, we have been able to proceed with our work in a quiet and orderly manner.

Two double lots were sold in the Earl Howard Cemetery, and there were three interrments, two in Earl Howard and one in Middletown Cemetery. It is our policy to have at least one Trustee at each interrment.

Due to lack of rain this year, only three mowings were required. Stone repair was started this year by having Keene Monument Company repair/reset stones in Mid-South Cemetery and Middletown Cemetery, B-section. Plans are to complete all stone repairs in Old South and the remainder of Middletown using funds from interest accrued on Trust Funds.

Thanks to the volunteer work of Cliff Struthers of Winchester, Benson Cemetery was cleaned up this year. Road deterioration has made access to Benson almost impossible. We hope to be able to get to some of the other town cemeteries during 1987.

POLICE DEPARTMENT REPORT

You may have noticed, our town has grown much in the past two years. As expected, police activity has increased but fortunately not in the same proportion. As we have stated in past years, one of the best ways to keep Richmond's crime rate to a minimum is through your continuing support. We are on duty 24 hours a day, 7 days a week. If there is a problem, or even if you only suspect a problem, do not hesitate to call. The quickest way to reach a Richmond Officer is through Mutual Aid in Keene, 352-1100.

We are happy to report that Officer Dan Bigda has taken the training bull by the horns and has been certified at the F.B.I. facilities at Ft. Devens as a firearms instructor. After five days of training, out of a class of 26 officers, Dan passed the course at the top of the class. This will save the Department much time and mileage, not to mention the aggrevation to certify our officers annually. Dan has also taken a two-day course in an updated sobriety test to determine a possible D.W.I. operator. This new method deals with reaction of the eye muscles and is very accurate. If you should run into Dan on the road, ask him for a demonstration. He will be glad to oblige!

We would like to welcome Jay Davis to our department. Jay is our newest member and is due to be certified before you read this. We also thank Jay's parents for the use of their gravel pit for our firearms training.

Contrary to what you may think, the Town does not own a police cruiser. To our knowledge, it never has. The Police Department thinks its time the Town took on the responsibility of purchasing, maintaining, registering and insuring a town-owned police cruiser. The Chief's 1969 Chevy personal vehicle, made to look like a repectable police cruiser, is begging to be retired. Please give your Police Department some serious consideration at this Town Meeting when we will be asking you to supply us with a newer or new vehicle.

Thank you for your support!

Respectfully submitted,
Richard E. Bigda
